

# Hughenden Parish Council

## Transfer of Parish Land

Following the decision of the First Tier Tribunal in August 2017 regarding the ownership of specific allotment sites within Hughenden parish, representatives of Hughenden Parish Council (HPC) met with the trustees of Hughenden Community Support Trust (HCST) on 25<sup>th</sup> September 2017 to consider how to proceed.

Following this meeting, agreement has been reached on a way forward to create a relevant platform for HPC to lease, in the longer term, the specified land from HCST.

Discussions are now underway with solicitors but at this time we are unable to provide any indication as to timescales for the completion of the negotiations.

Further information is available from the Clerk of the Council, Shona Hadwen
